Born: Matthew Aaron Chernoff (before marriage) – Matt has been an entertainer and professional singer for over 20 years in Las Vegas. As an industry veteran, he has enjoyed success both on and off stage with various projects. When he was 19, he started an indie record label and helped chart several bands in the college markets, including his own band, Hostage Symphony. Matt never stops creating original music and is currently working on his 2nd studio album with his latest musical project. Working as a Creative Director in the events industry for the last 3 years has led him to starting his own company, New Moon Entertainment.
